C. Read the text and write the time of Kevin's daily activities.

Hi! My name is Kevin. Saturday is my favourite day of the week because I wake up at ten o'clock in the morning and have breakfast with my parents and my sister, Kate. Then, we go to the park and do jogging at eleven o'clock. We have lunch together at around one o'clock. After lunch, my mom run errands at home and my father usually helps her. At two o'clock, I take our dog, Pirate for a walk and Kate does the ironing. We all love watching films. It is movie time for us when the clock shows five o'clock. On Sundays, we usually have dinner in our grandparents' house, so I take a shower at seven o'clock and get dressed. Our family dinner is at quarter past eight. After dinner, I play chess with my grandmother at nine o'clock.
