

**A. Fill in the blanks with the suitable words below.**

a. download

b. account

c. search engine

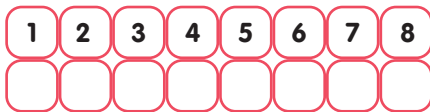

d. upload

e. addict

- Information is easy to reach with the help of a/an \_\_\_\_\_. You type the words into it and get all the info in seconds.
- Teenagers love taking selfies and videos especially when they join an event. Then, they \_\_\_\_\_ these photos and videos on their social media accounts.
- Spending more than three hours on the Net in a day means that your Internet usage is at an alert level. There is a risk for you to be an Internet \_\_\_\_\_.
- In order to send or get emails, having an email \_\_\_\_\_ is essential for the users.
- The best and fastest way to learn the meaning of a word is having a dictionary application. You can \_\_\_\_\_ some of these applications to your smartphone, tablet and desktop for free.

**B. Match the words with the pictures.**

a) screen      c) keyboard      f) laptop  
b) desktop      d) mouse      g) browser  
e) webcam      h) file

**C. Write the letter of the sentence into the correct box.**

- Always check the online news before you believe.
- Keep your password as a secret.
- Meet your online friends when they want.
- Check the files with an adult before downloading them.
- Upload all of your photos and videos to social media.
- Share your phone number with strangers.
- Accept friend requests from everyone.
- Let your parents know if you see something wrong on the Net.

SAFE

NOT SAFE

**D. Read the speech bubbles and write the names into the blanks according to their Internet usage.**

The Internet is my all. I don't think that I can spend even a minute without it.

**Mark**

**Molly**

I always search for information both for my projects and homework. It helps me a lot.

I make video calls and chat with my family members. We have a great time especially with my cousins on the Net.

**Jack**

**Arthur**

I don't have an Internet connection on my mobile phone or at home. I don't think that it is necessary. I connect to the Net only when I have project to search for.

I have an online identity, so I don't share my personal information on the Net. I create strong passwords for my accounts and never share them with others. I don't enter unknown websites. They can be dangerous for us.

**Jane**

- \_\_\_\_\_ keeps in touch with his/her relatives.
- \_\_\_\_\_ is probably an Internet addict.
- \_\_\_\_\_ doesn't spend much time on the Net.
- \_\_\_\_\_ pays attention to the Internet safety rules.
- \_\_\_\_\_ uses the Net for educational purposes.

**E. Match the questions with the correct answers.**
